Meridian 223 families,

While it is hard to think of registration for classes beginning next August when we are experiencing below zero temperatures – registration is right around the corner. I want to quickly review registration information and important dates as we move forward so that everyone can be prepared.

Fees

- Kindergarten - \$140 registration fee, \$100 registration fee if eligible for early registration incentive
- 1st – 8th Grade - \$145 registration fee, \$105 registration fee if eligible for early registration incentive
- SVHS - \$160 registration fee, \$120 registration fee if eligible for early registration incentive
 - ONLY students with ZERO remaining fees are eligible for early registration incentive

Important Dates

- 1) All fees must be paid in full for all previous charges by April 1st to qualify for early registration incentive fee
- 2) Online registration to open April 8th
- 3) In-person registration available at SVHS on June 4th – hours TBD
- 4) Early incentive fee ends June 8th
- 5) Registration must be complete by July 22nd to ensure our ability to transport students at the beginning of the school-year

Registering on time is an important function of our community supporting our schools. The act of registering and paying fees on-time not only supports our budgeting process, but more importantly allows schools *and transportation* to operate as smooth as possible at the outset of the school-year. As of this Holiday break we still had over 25% of our students with outstanding registration fees. Please help us avoid this in the future.
